To: Lowe's Canada Stores

From: Mike Feno, Senior Director National Accounts Retail and David Reed, Director of Business Development

Subject: Lowe's/Amarr Canada **Reliabilt Garage Door** program

Earlier this year, Lowe's US announced a garage door vendor realignment. This adjustment only impacts Lowe's US stores with the *Pella Garage Door* program.

No adjustments or realignments have taken place in Lowe's Canada garage door operations.

We apologize for any confusion this may have caused to any Lowe's Canada stores.
